LetsGrowMore
Web Development Intern
September 2021 - October 2021 (2 months)
India

Worked on following websites:

A responsive coffee shop website with HTML, CSS and vanilla js.

A react user card of employees using API.

Technophile Bud
Web Development Intern
September 2021 - October 2021 (2 months)
India

Completed all the tasks assigned to us related to Web development .

This program helped in better understanding and improved my skills.

The Sparks Foundation
Intern
August 2021 - September 2021 (2 months)
India

I completed task Payment Gateway Integration while working as a intern at The Sparks Foundation.
During internship I learnt to integrate Razorpoy integration to pet help donation, made responsive website and deployed it.
